

BRETT BERNARD

Let's Make the Impossible; POSSIBLE...

Your Solution to Increasing Student Achievement

**KEYNOTE SPEAKER AWARD-WINNING TEACHER
WORLD CHAMPION OF UNICYCLING**

Once an "at-risk" student, Coach Brett Bernard is proof that obstacles can be overcome and success is within reach for all. Diagnosed with a learning disability and ADHD, he faced academic struggles but refused to let them define him. Through unicycling, he developed focus, resilience, and perseverance—skills that not only made him Captain of the USA Unicycle Team and a World Champion but also helped him excel in school, graduating high school and college with honors.

As an Author and Award-Winning Teacher with over 25 years of experience, Brett has a unique ability to connect with struggling students and unlock their potential. Now, as a dynamic speaker, he captivates audiences with powerful storytelling, interactive demonstrations, and proven strategies to help all students succeed. Brett equips educators with practical tools to Make the Impossible...POSSIBLE—helping them increase achievement and ensure every student has the opportunity to thrive.

ACTIONABLE TAKEAWAYS

GRIT FUELS SUCCESS

Learn proven, practical strategies to instill the power of persistence and the work ethic that drives student achievement.

SMALL STEPS LEAD TO BIG GOALS
